

## PANNILL GOES FREE.

ON HIS THIRD TRIAL HE IS ACQUITTED.

The End of a Celebrated Lynchburg Case—Occupied Six Days—A Brilliant Array of Counsel—Senator Daniel's Speech.

LYNCHBURG, VA., September 21.—(Special.)—The third trial of R. H. Pannill, formerly city clerk-agent of the Chesapeake and Ohio railroad, and who was charged with aiding and abetting Teller Walter G. Hammer in embezzling the funds of the First National Bank, came to a conclusion to-day, the jury rendering a verdict of acquittal.

The trial consumed six days, and the accused was defended with consummate ability by Senator Daniel, J. L. Lee, and Randolph Harrison.

Senator Daniel's speech consumed seven hours, and was a masterpiece of oratory. On the first trial of the case the jury stood eleven for conviction and one for acquittal. On the second trial the jury stood seven for acquittal and five for conviction. In the trial just ended three ballots were taken; the first stood 10 to 2 for acquittal; the second, 11 to 1 for acquittal; and the third all for acquittal.

## WEDDING BELLS.

Two Marriages in Radford—Personal—Reported Cool Fluid.

EAST RADFORD, VA., September 21.—(Special.)—Bourne Memorial church was the scene of a beautiful wedding Wednesday afternoon, the parties being Mr. F. W. Payne, a popular employee of the Norfolk and Western railroad, and Miss Belle Fisher, a charming young lady of Radford. The church was handsomely decorated, and the organ, under the skillful touch of Mrs. C. H. Mount, pealed forth the wedding-march as the bridal party entered the church in the following order: Mr. W. F. Kinsey, with Miss Jennie Brown; Mr. J. L. Lawrence, with Miss Mary Williams; Mr. R. H. Allison, and then the bride, with her maid of honor (Miss Meta Bullard). The party was met at the altar by Rev. J. W. Perry, who performed the ceremony. After a reception at the residence of Mr. W. R. Kinsey the couple left for an extended tour to several western cities.

## AND STILL ANOTHER.

At 5 o'clock on Wednesday afternoon Mr. J. C. Peter and Miss Gertrude L. Pile were married at St. James' Episcopal church. The ceremony was beautifully decorated with flowers, and a large company gathered to witness the ceremony. The familiar wedding-march from Lohengrin, played by Mr. E. Z. Mayer, was the signal that the bride and groom entered. The bride was escorted by Oscar Kuhn, Wallace McNeal, and Floyd Black (the ushers) marched slowly up the aisle, followed by Miss Minnie Pile, the maid of honor. The bride followed, leaning on the arm of her father, Mr. D. L. Pile. The bridal party was met at the altar by the groom, accompanied by his best man, Mr. C. M. Caldwell. The pastor, Rev. A. A. Pruden, in the beautiful and impressive ceremony of the Episcopal church, joined the couple. The couple left on the afternoon train for Washington, and from there they will go to Atlanta. The groom is the honored book-keeper of the Radford Pipe and Foundry Company, and this bride is one of the most popular young ladies in the city.

## PERSONAL.

Mr. John Ingles, who last year graduated at Washington and Lee University, left yesterday for Cornell University, where he will take a complete course in electrical engineering. Ingles was valedictorian of the Washington and Lee University football eleven last year. The condition of young Bibb, who was hurt yesterday by a coal he was breaking, is critical.

Nathan Reop and Will Ratliff, who were recently arrested here and taken to Giles county for trial, on a charge of house-breaking, were tried there yesterday. The verdict was acquittal for Ratliff and two years and six months for Reop. The attorney for Reop, J. P. Peters, of Radford, represented the accused.

It is reported that a fine vein of coal has been discovered within two miles of this place, and that the owner is making arrangements to open a mine.

## STORM IN HANOVER.

Stable Struck by Lightning and Burned.

OFFLEY, VA., September 21.—(Special.)—The upper part of this county was visited on Wednesday evening by a violent electrical storm of unusual intensity, but there was compensation in the shape of a good rain that was badly needed. Such a display of lightning—both "bolt" and "sheet"—has rarely been witnessed here. Numerous trees were struck, but the only serious damage reported was at the farm of Mr. B. W. Wickham, a well-known and prosperous farmer, on Newfound river. His stable was set on fire and destroyed, along with two fine horses, provender, etc., the loss being about \$300. Several adjoining buildings and a lot of valuable farming implements, etc., were saved by the strenuous efforts of the hands from Mr. James Partridge's saw-mill.

The lightning struck in four other places on the farm, once in a shock of corn.

The annual business meeting of the association will be held Monday evening at 8 o'clock, when officers for the ensuing year will be elected. After the transaction of business a reception will be tendered to Mr. Coulter, and it is expected that nearly all the members of the association in this city will be present, so that they may become acquainted with the new State Secretary.

The 25c. Conditions now are different, and cash buying has tamed the large lot of this week 30c.—the yard. 60 rolls of Yard-Wide Extra-Super. Carpets, are made on 120 strong twine, warp-thread, with pure wool filling—in fact, every particle of Carpet you see and feel is wool—they will not stain, and are warranted free from any imperfections. We emphasize these points because we believe it to be the first time in the history of Carpet trade that new patterns of such quality are sold the first of the season for 30c. the yard.
